Our Year 6 Residential to Croft Farm

The activities were so fun, especially the water ones as you got to swim in the lake.

I loved when we got to do archery tag because I knew that I got a lot better than in Year 4 and it was very fun. The food was good.

All the instructors were so nice and helpful and gave us an amazing time at the residential. Thank you so much.

My favourite bit about the whole residential was when we did katakanuing. We got in groups and raced each other in the water.

My favourite part of the residential was building and paddling the rafts.
