HAPPY EARTH DAY !

On Monday 24th April, Europa will be celebrating Earth Day. Help us make this a special day for the children by:

- Dressing in blue and green only using clothes you already have
- Avoiding any single-use plastic in lunch or snack boxes (e.g. no wrappers, crisp packets, pouches)
- Donating cookies for the Earth Day cookie sale from 3.15pm by Thame Lane under the canopy. You can drop your delicious cookies under the canopy from 8am.

The money raised will fund eco-friendly books, magazine subscriptions, gardening equipment and greener classroom supplies.

1EE have started hockey lessons in PE this term.

This week 6EE went to the Junior Citizen's Health and Safety Day held at Oxford Fire Station. Here they learned vital health and safety advice for various situations. These included water safety, safety on the railways and stranger danger. The children found these sessions very useful and played their parts well.

In the first part of this free, not to be missed workshop for parents, Dr Vally Lytra (Goldsmiths) and Dr Effrosyni (Froso) Argyri (UCL) will share their experiences of raising multilingual children in Switzerland and England respectively highlighting different forms of bilingual education provision.

They will spotlight state of the art research on theories of language and language learning and factors that support language and literacy development in bilingual/multilingual children. They will also examine language learning outcomes associated with different types of bilingual education - immersion education and CLIL (Content and Language Integrated Learning).

Q & A Session

In the second part of the workshop, parents will have the opportunity to reflect on their own language learning journeys, share experiences and ask questions.

This is an online talk. All registrants will receive an invitation with the Zoom link prior to the talk.
