

### St Martin Parade

We celebrated St Martins today with a colourful lantern parade through the primary school. The children sang beautifully and enjoyed the delicious, traditional "Weckmann"

### Reception visit the Arboretum

Year 2 visited Science Oxford for a day of inspiring, hands-on discovery and problem solving!

**Polite reminder**  
Please do not bring any nuts or nut containing products to school. Please check your child's snacks carefully as often chocolate looking snacks contain hazelnuts. Please support us in keeping ALL our children safe.

Reception children loved exploring the outdoors and seeing all the lovely autumn colours.

4FE have transformed the front of the Hostel block. The planting project combines discovery of the world with maths, cooperation and learning about the environment. A big thank you to the PTA for their help in purchasing the planters, to Mr Dorey in 5FE for assembling the planters, to the site team for their help, to parents for providing so many bulbs ... and to the children for their enthusiasm and brilliant work.

**German Exams** - We are delighted to announce that all of our primary students who have taken part in the Goethe language exams have either passed with ,sehr gut' or ,gut' which is a real testimony to the candidates' extremely hard work and the high standards of German throughout the Primary School. Our warmest congratulations! Dr Havenstein
