Year 5 and 6 Colpbol Competition

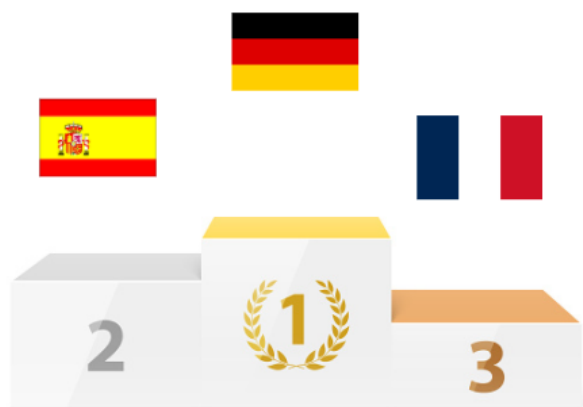

Colpbol is the new sport that everyone is talking about in KS2. It's fun, easy, catchy and a real show! Children in year 5 and 6 have taken part in the tournament during the last week of term after training very hard during the last 6 weeks. Everyone did amazingly well, and they should all be proud of their performances. Here are a few photos of them in action and also the tournament results. Well done to Germany who won on this occasion. Spain and France are ready for the next tournament, to see if they can gain the title. Thanks to Alba our sports coach, for organising everything.
