

Music Flood Week

Year 3, 4, 5 and 6 have enjoyed various musical delights this week, with the support of Radley Collage singing and drumming workshops. They also met with musicians and were introduced to new instruments. Year 5 and 6 rounded off the week with a walk to Abingdon town square to join other schools in a big singing event. Thank you to all the event organisers, participants and the parent volunteers. It was truly a magical week. We hope the children will share their experiences with you at home.

Poetry and Nature

4FE have been thinking about the role nature plays in helping us to live healthy and happy lives. They have created watercolours and poems to reflect their favourite aspect of nature. Here we share Valentine's. You can see the rest if you click here [Watercolours and Poems by 4FE](#)

Looking for more music events? Take a look at the Oxford Music Chamber Festival. Tickets are **FREE** for young people aged 8-25
