

The Queen's Jubilee -

Various classes in Year 1 and 2 have been busy drawing the Queen's portrait to celebrate her Jubilee

Secondary pupils reading in 3FE

Last Friday 3FE welcomed some secondary pupils who wanted to practice their presentation and reading skills by sharing their favourite children's books. It was a wonderful initiative instigated by secondary French teacher Bénédicte Dubois. The 54 pupils confidently shared a selection of books, some in English and some in French with the very enthusiastic young audience of 3FE. It was a real pleasure having them visiting us.

Fun Run Dates

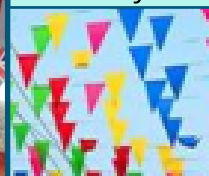

Please save the date/times, to come and cheer the runners. The events will take 35-40 minutes

Monday 13th June 8.45am: Year 4
Monday 13th June 3pm: Year 3

Tuesday 14th June 8.45am : Reception
Tuesday 14th June 3pm: Year 5

Thursday 16th June 8.45am: Year 1
Thursday 16th June 3pm: Year 6

Friday 17th June 8.45am: Year 2

A HUGE thanks to all the Plant Sale donors and Patricia for arranging it all - the online plant auction raised over £700 with a follow-up sale late Fri. **Next plant sale at the summer fête.**

Thank you for donating to hamper prizes - if you have any other Raffle Prizes to donate, or if you want to run a stall / activity at the fête, [get in touch](#)

No more Teddies thanks, but good quality unwanted items to resell are always welcomed.

Thank you to the summer fête volunteers so far - many more needed so please join and help us make it the best yet...[click here](#)

Visit from the Goethe Institute

2DE and 5DE had a wonderful half day of experiments each as a result of Europa School UK's cooperation with the Goethe-Institut UK and the initiative 'Schools: Partners for the Future', PASCH, completely free of charge.

Scientists from the IJF – Initiative Junge Forscherinnen und Forscher from Germany – had arrived especially to lead them through the day. Pupils of 2DE went through five stations of exciting experiments such as the Foam Monster, with a playful approach enabling our younger students to access science and technology in the most hands-on way. 5DE with Frau Helmecke were exploring the insides of a ventilator, what components it takes to build one and learned much about the power of transmissions. All the experiments were taken from the IJF book "klein & schlau! Experimente für junge Forscherinnen und Forscher". The German classes were fortunate in being given copies of this wonderful book so that they can continue experimenting both at home and in school. Our heartfelt thanks go to the Goethe-Institut UK, the fantastic PASCH initiative and to the IJF!

~ Dr DanielaHavenstein, PASCH-Co-ordinator

International Day - This was a big success. Thanks to the PTA, the staff and Parent Volunteers who worked so hard to make it an excellent day for the pupils
