

Year 4 Residential: Woodrow High House

Just before the Easter Holidays the Year 4 classes headed off for the residential trip. It was an action packed 3 days, getting to do a range of activities. Comments included:

'I learned to be more independent.' 'The high ropes were my favourite, because you had to help your partner.' 'Some activities looked scary, but after you did them they were so fun.' 'The food was the best.' 'I liked the campfire.' 'We worked together and communicated a lot'

We're so glad we finally had the residential experience. For those moving in to year 4 in September it is something to look forward to.

Clothes Collection 3rd May

Please bag up clothes, shoes, bags and fabric.

We can re-sell good quality clothes so keep them separate to the general clean items

PTA Help Needed

We have our International Day on 27 May. If anyone could help out on the day please contact Kate LLoyd-Williams
