A fantastic result.

Egg dying, bunny ears and a show for the parents. RDE have had a busy and active week and now are very much looking forward to the holidays

Please do not let pupils bring in their own footballs.

There are footballs at school and we need to limit how many are used each break due to the number of children.

OH NO!! There have been various reports of headlice in the school. Please check your children's hair over the holidays and treat if necessary

To enhance our study of *The Lion, the Witch and the Wardrobe* by C.S. Lewis, Year 3 visited Holy Trinity Church in Headington.

This was the local church for C.S. Lewis and he attended regularly. They also saw the house where he lived, The Kilns, and the nature reserve which inspired some of his work. The weather held and the children really enjoyed visiting the church, the churchyard and despite being muddy, the nature reserve which they loved exploring

NEWS FROM THE ECO CLUB

Earth Day - Monday 24th April:

- * wear your own blue and green clothes to show your love of the planet
- * Challenge: for Earth Day, do not bring any single use plastic to school

Over the last few weeks, children have kept a single-use plastic diary. The most plastic they use is at snack time. They have started thinking of ways to reduce their and the school's plastic consumption. More to come on this important topic...

A little note to say that until April 2nd The Great British Spring Clean is on. If you do any litter picking at home, you can register on litter bags on this site:
