

### Year 4 visit the Earth Trust

Year 4 had a very engaging trip to the Earth Trust on Tuesday. The children were immersed in prehistory as they embark on this topic for the coming half term. The lovely weather allowed for willow weaving, visiting the iron age fort and making paints for a cave painting to take place outside in the sunshine.

### Thank you from Malawi!

A huge thank you to all those who donated clothes, shoes, books and toys for the Mangochi Orphans and Training (MOET) School in Malawi. Click [here](#) to read more. A huge thank to Zohra for organising and Dunja for her contributions to the project.

**School Photographs** - Deadline for ordering on line is the 11th November. There are still some sibling photos at reception. Please take a look.

### St Martin Celebration "Weckmann" Cake Sale

**Friday, 12th November**

**Where and When?**  
In front of the canteen from 09:45 - 10:30 and from 12:00 - 13:30.

The sale is available in primary from Year 3 and up and all secondary. Staff and parents are welcome too.

The price is £1 per Weckmann.

There will be gluten free options as well.

**Please come and enjoy some of our lovely Weckmann with us!**

**Microscopes:** We are lucky enough to have 8 microscopes on loan from the Royal Microscopical Society (RMS) which will be touring the year groups this term. The pack includes lots of samples to view and directed activities to engage with. 4FE have been viewing and comparing the structure of flour, pepper and gathered flora from outside. However, the most exciting activity was acting as crime scene investigators, using the resources provided, to compare "evidence" of newspapers, tissues and fingerprints to test samples. This super sleuth work meant they were able to identify who, out of 4 suspects, had stolen all the Jelly Babies from the sweet factory!

**Polite reminder** - Please continue to wear a mask whilst on school site. Thank you.
