ROYAL SOCIETY PROJECT UPDATE

This week, Europa Primary has been taking part in the big anti-littering challenge. 5FE has been rewarding children binning their rubbish with tokens. On Friday, we will count the tokens to see how many have been given out and if Europa won the challenge. Find out the results and the next steps in next week's newsletter!

SAVE THE DATE

Our annual Summer Fête will take place on Saturday 28th June from 11am, with fun for all the family!

This year we will be raising money towards the school's priority projects - upgrading the chemistry lab, improvements to the school toilets and addressing the drainage issues around the grounds.

RAFFLE - As always, we have amazing prizes and hampers to win. This raises the majority of funds at the fete, so a key way to contribute. Buy your tickets here:

Would you like to run your own stall or donate a cake? Or volunteer? (We need LOTS of volunteers please - no help is too little!) All sign up lists can be found via the same link - [Click Here](#)

BetterPoints - earn rewards by making active travel choices

Ever wanted to move more but need a bit more inspiration? Got a favourite spot for a cuppa while you're out and about?

Well now you can combine the two with the launch of the BetterPoints Oxfordshire app which has just been launched countywide.

Getting started is easy, just download the free app at <https://oxon.betterpoints.uk/> to your mobile phone and register using your email address, then you can earn BetterPoints when making greener and healthier journeys. Choose to walk, wheel, run, cycle or take the bus or train. Record your trips and see your points total grow.

You can then turn your Better Points into rewards and redeem them at many high street and local Oxfordshire based businesses. Points can be swapped for high street vouchers, spent with local businesses, or even donated to charities.

The app is really easy to use and helps you keep track of your progress. If you step outside Oxfordshire, don't worry. As long as part of your trip takes place within the county boundary you will still earn points.

It's a fun way to stay motivated and make positive changes in your life. By making one change at a time, you can get fitter, be healthier and earn BetterPoints.

Oxfordshire County Council
Active Travel

CulBUG (Culham Campus Bicycle User Group), via One Planet Abingdon, have received some funding from Active Oxfordshire to gauge Europa School interest in a bike bus along the causeway route from Abingdon: please let Martin Cuddy (secretary@culbug.uk) know if you would like to be involved in this initiative. Other bike bus routes could also be considered; let him know if you are interested.
