LanguageNut Competition

Very well done to all our KS2 students who participated in the European Day of Languages competition with LanguageNut!
All our students had the opportunity to try different languages .
A special congratulations to Raphael, Ryan and Aniela, as well as to our 4FE, 5FE and 6FE classes. Well done, everyone!
Students can continue to access the LanguageNut platform at home.

Take some time to label your children's clothes, snack bottles, water bottles, pencil cases.

School Photographs -Updated Deadline

Update: The deadline for ordering photographs with free delivery to the school is Sunday 25th October.
Hopefully all families have the QR slip by now for the photos, but if you haven't please email e.schradi@europaschool.uk for a copy.

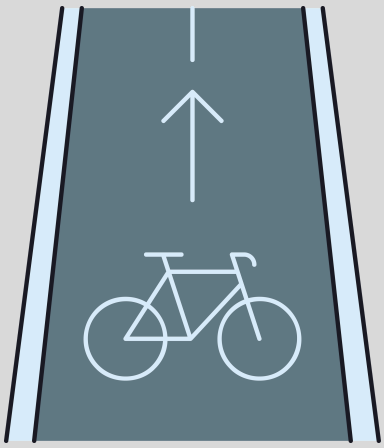
Gardening hub

A huge thank you for your generous donations of welly boots! We now have enough to embellish the primary garden.

We are still looking for spring bulbs (daffodils, tulips, crocuses etc) and bags of compost. The gardening donation box has been emptied and is ready to welcome other donations. Thank you again in advance for your generosity.

A415 Abingdon to Culham Safe Path Survey

We need your voice!



The A415 Campaign Group has launched a survey to support safer and more efficient travel between Abingdon and Culham/Clifton Hampden. We urge all parents and sixth form pupils to take part in this survey. Please note that this is an inclusive survey aimed at motorists, families using the bus and those cycling, wheeling and walking to school.

Skiing News

Congratulations to all who took part in the English Dryslope Finals on Saturday and the Open Championship on Sunday.

Out of the 10 primary girls teams who made it through to the finals only 2 of them were from state schools. Europa only raced on the Saturday.

All three girls performed brilliantly.

Abingdon Carbon Cutters

Our first follow-up meeting features Dr John Ingram, an Associate Professor and Senior Research Fellow at Somerville, whose work includes scenario planning for food system sustainability and resilience. He will explore what needs to change – from farming and food businesses to retailers, communities and our own choices – and what we can realistically do locally. This is about the food on all our plates, the security of its supply, and ultimately our health and wellbeing.

The talk promises to be thought-provoking and may challenge some established assumptions. We hope you will join us and help make this the start of something very positive in our locality.

Bevara Hair & Soul

"I offer a safe quiet place for ladies, Gents and children for all hair requirements, I have 30years experience. I have toys & stickers for the children & refreshments. And I am experienced in cutting children's hair with special needs whom could not cope in a usual noisy, busy salon." ~ Beverley
