

### STUDENT COUNCIL

**Challenge:** To raise £10,000 to resurface the playgrounds so they are safe for us to play.

**Plan:** Each student to have the target of fundraising minimum £20

How can you do that:

#### Personal Initiatives

- Sell cookies or knitted items to family & friends
- Ask friends and family to sponsor you for the Fun Run in June
- Set up a Lemonade Stand on your street
- If you have chickens - could you sell eggs?

#### Class Initiatives

- Sell Food/ Drink at the Fun Run

### WHICH CLASS WILL RAISE THE MOST??

If anyone raises £50 you get to challenge a member of staff to dress up in fancy dress & race you at the Fun Run

## Fundraising Time

Our KS2 Student Council was incredibly enthusiastic to start fundraising for new surfaces in the playgrounds. The ideas were flowing. Please remember the Fun Run - it will take place the week we come back (2<sup>nd</sup> - 5<sup>th</sup> June).

An email has gone out to parents to give them the information, and we can look forward to exciting start to June.

Just to inspire you, one of our Year 6 students went home the day of the Student Council and got a GoFund me page set up for a triathlon she will complete during the half term.

## Winner: Young Art Oxford

Kezia had her presentation for winning her age category in the Young Art Oxford competition. The prize was presented by illustrator Korky Paul. He said: "Lots of people draw in colour but you did it in black & white and I think it was very brave of you. It's got a wonderful feeling of pathos. The contrast makes it stand out on a rich black background. Well done!"

## Sock Puppets

Over the last weeks, 4DE created a sock puppet theatre. Two groups visited RDE and presented to their audience their show of Little Red Riding Hood. The other classes visited 4DE to see the show from other groups as well. All the groups enjoyed their presentations so much and we would like to thank every teacher for giving up some time of their day to visit our shows. Thank you for laughing and listening!

# Young Engineers: STEM Lego Club (yr2-Yr8):

Our very popular Engineering STEM Lego Club is available to book for Summer Camps at Europa School UK.

We offer 6-12+ year olds the opportunity to learn building, mechanical engineering/scientific concepts, through Lego play with a qualified instructor taking them through step-by-step instructions - concepts such as gravity, centrifugal force, Newton's Laws are explored through a specially designed educational curriculum involving cars, fairground rides, robots, animals, catapults etc.

Reception - 15:00

Friday 5th June 2026

Year 3 - 08.45

## Cool Milk

Please check with your child whether they still drink the milk at school. There is a lot of wastage so it would be better to stop paying for it, if it is just ending up in the bin.

Thank you

- Th 25 June [Rags2Riches](#)
- Sat 27 June [Summer fete](#)

## FACE PAINTING LEAD NEEDED!

We are looking for a volunteer to lead our popular Face Painting stall at the Summer Fete on Saturday 27 June. You'll help coordinate a small team of students and pick some fun, simple designs. All supplies will be provided, and you don't need to be Picasso - just willing to help us create a vibrant day for the school community. If interested, please email [secretary@europa-pta.org](mailto:secretary@europa-pta.org)
