

# Music Flood

Music Flood is a partnership of schools and local music organisations supporting teachers as they put inspirational music at the heart of the school.

This week many of the KS2 classes were able to enjoy one of various music workshops. On Wednesday we had a visit from Moonaroon, a folk band who really engaged the students, which led to very thoughtful questions at the end.

## Primary Maths Week 25th - 29th September

During this week all classes will do something EXTRA in maths. It may be art in maths/ maths in art, a maths trail, big maths, maths investigations, maths puzzles or maths based games.

We invite parents to get in touch with your child's class teacher if there is a maths activity that you would like to come and run with the children.

## PTA Christmas Card Fundraiser

It's that time of the year when our children can design artwork to be printed on Christmas cards, mugs, tea towels and more.

### Primary

Artwork templates have been handed to teachers for them to work at school with the children, but if your child decides to finish the project at home, please bring it back to the school and give it to teachers by Friday 29th of September.

Please follow this link for tips if you want to do your project at home:
