## Eco Club News

Thank you to everyone who took part in the Earth Day photo competition.

1. Maria GB (4EE) with 'The Sea'
2. Atiya H (6FE) with 'Butterfly'
3. Klara M (5FE) with 'River'

Prizes will be handed by the Eco Club next Monday. ☺

# Woodrow High House - Year 4

Last week, Year 4 had a fantastic time on their residential at Woodrow High House.

After retreating indoors twice because of thunderstorms getting too close, they conquered the heights and built towers of crates before knocking them down. Multiple arrows were fired over the three days as well as fires being lit in bush craft.

Year 4 have developed their team working skills both physically and mentally but also worked on individual achievements. They were exhausted on our return to school and some are still recovering from their lack of sleep.

It was a brilliant trip and we hope they have enjoyed it as much as we did. Preparations are now underway for the Year 4's next year!
