

School Fund

THANK YOU, we have raised 20% of our target, £31,730

Thank you to all the parents who came on Wednesday. For those of you who weren't able to make it, we are currently facing a financial shortfall of £162,000 per year.

Much of this is due to a time lag in funding which affects our school in particular as it is growing every year and this situation will continue until the school reaches its capacity. The shortfall does not impact the school's viability, but it does make the difference between an "OK" education and a great bilingual one. Lynn Wood's presentation from Wednesday can be found [here](#).

Please help us bridge this gap.

Our request is a voluntary contribution of £1 per pupil per day or £2 if you can afford it, either by giving a lump sum or making a regular monthly donation. Please use the following link to donate [Fundraising – Europa School UK](#).

We understand that not all parents can afford this but for those of you that can please support this unique school.

The feedback at the meeting demonstrated your strong support for the school, but also that we need to communicate more about the specific activities that your funding goes to and how much has been raised, we are working on improving this.

Maths Week

What an eventful week of Maths the Primary children have participated in.

Among other things RFE has been looking at patterns and trying to find them in the story "Pattern Fish" and looking for patterns in the environment around them. Children in 1DE had lots of fun playing maths games involving dice, numbers, counting, shapes and patterns and the class also created a big tessellation poster with coloured in bird shapes inspired by the artist M.C. Escher."

Year 3 have been making tessellations, Y4 completed art projects using maths, treasure hunts, autumn place value work and made 3D shapes with Polydron. Year 5 had a maths storytime, explored shape using origami, completed a times table relay race, and geometric Christmas art.

The children have loved it

A huge thank-you to all of the parents who volunteered some time to come in and run special sessions with the children. It has been wonderful.

Vacancies

We have immediate vacancies for a Secondary Spanish Teacher Part time - 0.47 of FTE over 3 days or 0.5 of FTE over 4.

An able administrator may be interested in the Exams Coordinator and a Cover Coordinator roles. These roles can be combined for more hours.

There are also part time roles for Teaching Assistants and Cover Supervisor and Lunchtime supervisors.

Celebrating our wonderful TAs on National Teaching Assistant Day

Hygiene

Yes, it is the season for germs and bugs! Please work with us to be hot on hygiene. It is courteous to make the class teachers aware if your child has picked up something contagious, such as head lice, threadworm, impetigo (Impetigo is very contagious - your child should stay home from school for 48 hours after starting an antibiotic).

A visit from Perform

We were very pleased to receive a visit from [Perform](#) a few weeks ago. The children had a wonderfully energetic time exploring the theme of [Around The World](#) and using drama, dance and singing to help develop their confidence, concentration and social skills.

Perform run regular weekly classes in the local area and they are offering a special introductory discount to all parents of Europa School Uk if they come along for a free trial session before Thursday 5th October - i.e. just over one week's time.

To claim your discount, just call Perform on 020 7255 9120 quoting **EURO051023** or visit perform.org.uk to find out more.

Drama4ALL discount for Europa Students - expires 5th Oct 23

You are warmly invited to our music taster lessons on **Sunday 8 October** at Matrix Arts Centre in Sutton Courtenay

Music courses for 2 to 7 year olds

Booking essential - please contact us: office@matrixartscentre.org.uk or 01235 847264

Useful information and reminders

Data

If you have any issues with Schoolbase or Googleclassroom, please email datamanager@europaschool.uk

Cool Milk

This is a reminder to check with your child if they still want to have milk during the school day. We are noticing there are children who are declining the milk when offered, and we will be in touch with parents if this is a continuous trend.

Christmas Fair

Sat 9 Dec 11-3pm Please save the date and plan to come along / help out.
