Christmas Fair

Thanks to the volunteers so far! We are planning a Christmas Market and Grotto, food & drink and if possible some musical entertainment.

The Raffle is always a key part so we will ask each class to donate a hamper as usual. Please email to raffle@europa-pta.org if you can donate / arrange an additional raffle prize.

Could you / your family / friends perform? If you would like to have a stall at the fair - email stalls@europa-pta.org

There are plenty of ways to help from now until the day so if you can help with the planning and/or on the day please fill out this [form](#).

Car Parking - Field closing for drop off/ pick up

As the weather has deteriorated we will have to close the field for parking from November 7th as it is damaging the surface.

There may be delays in the afternoon once the field has closed. To alleviate these delays please follow the instructions below:

- Secondary parents please arrive after 3.45 for collection
- Please vacate the car park as quickly as possible to allow others to park
- Please follow instructions from the staff in the car park and park where directed
- Please be patient, children will be looked until you arrive if you are delayed in the queue
- We also advise all cyclists to use the pedestrian/ bike entrance as it is much safer

4FE enjoyed the artistic expertise of Sue Jameson in their class. With her help, the children made lovely books, ready to collect their best stories.

Job vacancies

Part-time Secondary Teaching Roles at Europa

Maths

Digital Design

German

Human Sciences in German

Environmental Systems & Societies

Please see the website for more information

<https://europaschooluk.org/careers-at-europa/vacancies/>

Call Anna in HR if you would like to talk about these roles
or would like to know more about starting a teaching career

Y5 Science

Here are our children
enjoying a science
afternoon learning
about water
resistance. This was a
great opportunity for
the three classes to
work together.

Dia De Los Muertos

Julieta did an amazing session explaining Dia De Los Muertos (Day of the Dead). She explained the meaning behind the day and how it is celebrated by different families. We then considered how these traditions have changed over time and how they are similar to other cultures. Thank you very much from 3EE
