Please join us for a coffee between 8:30- 9am on Friday 18th in the Chapel to meet the primary team (which will include the deputy heads, the pastor lead, the SENco, the canteen coordinator) and ask any questions you may have.

Mme Gaillard and M.Considine.

Please remember to check for headlice - there are already cases in the school.

Lunchtime Choir for Year 4, 5 & 6

The Junior Choir will meet in the Schuman Hall on Thursdays from 12.10-12.45pm. As rehearsals are during the school day, there's no need to sign your child up in advance. Class teachers will remind children about choir and they can simply make their way to the Schuman Hall straight after lunch, or when the bell rings on the playground.

The choir list will remain open throughout September, so children who would like to join are encouraged to come along. After September, the next opportunity to join will be in January.

We look forward to welcoming lots of enthusiastic young singers!

Junior Choir's Performance at Radley College

On Thursday 2 July, our Europa Junior Choir had the exciting opportunity to perform in a special concert at Radley College. The choir sang a selection of folk songs and sea shanties, including The Salley Gardens, South Australia and Haul Away Joe. Their songs were woven between scenes from Purcell's Dido and Aeneas, performed by musicians and singers from the Gabrieli Consort. It was a fantastic experience to hear such amazing singers and to see historic instruments being played up close.

The children represented the school brilliantly, singing with confidence and enthusiasm throughout. It was a memorable evening, and we were very proud of them all. A huge thank you to Frau Tassy and Mrs Scaber for all her help with organising the trip, and to our parent helpers who made the visit possible. We couldn't have done it without you!

Eco-Schools Green Flag Accreditation

We are thrilled to share some wonderful news from the summer break. This past July, Europa was awarded the Eco-Schools Green Flag accreditation for the fourth year in a row!

To make this achievement even more special, this year, our accreditation was granted with Distinction.

This special honour recognizes the outstanding work our primary and secondary children, alongside their teachers, have dedicated to vital environmental areas—specifically school grounds (creation of a wellness area in secondary), healthy living (set-up of a primary food garden), biodiversity (protection of birds and pollinators), and litter management (paper recycling in secondary). These are just a few examples amongst many.

As we look forward to the new academic year, we are excited to build on this success with many inspiring new projects. We remain committed to embedding nature into our curriculum and empowering our students with the agency to design and implement their own ideas to protect the living world.

Europa School UK awarded partnership status in the International Spanish Academy network (ISA)

The school is delighted to announce that we have been awarded partnership status in the International Spanish Academy network (ISA). For the school this is a huge honour – it completes our partnerships across all three stream languages and offers educational resources, professional development opportunities, and all the benefits of belonging to a network of high performing dual language immersion schools.

Europa School UK is one of the first schools in Europe to be welcomed into the network alongside the bilingual Spanish primary school in Brighton. There will be an official signing ceremony later on 29th September at Europa, and also in London on 30th September.

To help ease traffic, we are considering opening a breakfast club from 7:30 a.m, which would be run by the team that manages our After School Club.

No decision has been made at this stage. This survey is simply to assess whether there is sufficient demand and whether it would be feasible for us to provide this service.
