NEWS FROM THE ECO-CLUB

Eco - Club Board

The Eco-Club has created a display of their work in the primary library. Come and take a look at what we are doing!

Wildflower Meadow

As part of our projects, the children have chosen to create a wildflower meadow. We have been given a 140m² area in one of the playground for this exciting project! If you have any advice to share with us to make the most of this area or if you would like to help with sowing, please contact s.harries@europaschool.uk

Earth Day Exhibition

For the summer fête, all the wonderful eco-friendly work done by many classes for Earth Day and other occasions throughout the year will be exhibited in the Chapel. We are looking forward to this special event!
