Author visit

Mini Grey

KS1 were very excited to welcome the Author Mini Grey this week. She came to share her new book *The Greatest Show on Earth*. She told a little about herself and how she writes and illustrates. Then they got to hear the new book. We had a great experience and would like to thank the Board of Governors, in particular Jackie who helped to organise this for us through the Oxford Children's Book Group.

5DE learned about Friedensreich Hundertwasser this week. They created some amazing towers in Hundertwasser's colourful architecture.

The Oxfordshire Museum visited Year 3

As part of the World of Discovery autumn historical topic, the year 3 classes have been studying timelines and what life was like in the olden days. The Oxfordshire Museum presented wonderful workshops featuring a range of practical and hands-on activities using a wide variety of original artifacts and photographs from the 1950s, 1960s and 1970s.
