

### 2EE Forest School

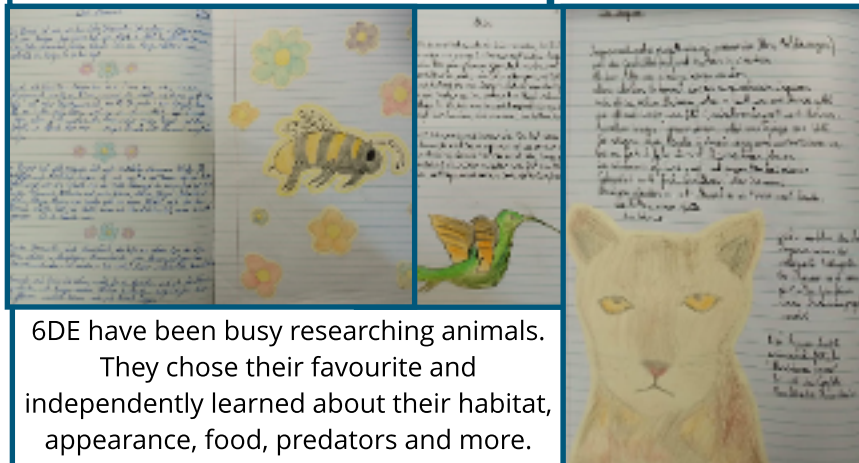

This week in forest school 2EE learned to light a fire using a flint and steel. They loved caramelising apple slices on the fire they created.

### Epiphany in RFE

### 6DE German descriptive texts

6DE have been busy researching animals. They chose their favourite and independently learned about their habitat, appearance, food, predators and more.

RFE have celebrated Epiphany. They made crowns and baked galettes, with a féve inside. They found many Kings and Queens.

**Please note** - All pedestrians should enter the school site via the pedestrian/cycle gate near the chapel. Children and parents are not permitted to come via the field entrance and through the staff car park or tennis courts! Thank you.

**Europa Value: RESPECT**  
We will be focusing on "respect" during this half term.

Children's Mental Health week  
7-13 Feb 2022

**Footsteps programme** - Click [here](#) for the footsteps leaflet which provides guidance for supporting your child to become an independent safe pedestrian. There is a survey to complete afterwards. Please complete as it may be an important way of lobbying the council for an A415 crossing.

### Multilingual Digital Storytelling Project

5FE and 4EE welcomed Dr Yu-Chiao Chung - known at school as Jojo Prouton - who came to talk about Our Planet Festival 2022. For this project, the two classes are going to create either a film, poetry or artwork on the theme and this will be presented in June at Goldsmiths, University of London. The children watched and commented on the films the previous classes had made and have begun to share ideas for their own project.
