

Current Europa Value "Respect"

This month we are talking with the children about "Respect". Please support us at home, by discussing the importance of this value and it's meanings.

3EE Marvellous Medicines

3EE enjoyed experimenting with 'disgustorous detritus' - in the words of Roald Dahl - to create their own versions of 'George's marvellous medicine', from the book of the same name. They showed super measuring skills, stirring liquids into their concoctions and went on to describe the ingredients with amazing alliterative adjectives. Beware, in case they try to offer you some of their special elixirs, there is no guarantee of positive effects!

Europa School assemblies

Children in KS2 are an engaged and attentive audience in our KS2 assemblies on Thursdays. Our assemblies form part of the school's Personal, Social and Health Education (PSHE) programme) and have been on a variety of topics including diversity at Europa School, playing nicely in the playground and good manners in the canteen. The assemblies could not take place without the support of our fabulous Year 6 helpers who arrange everything from choosing the music, to being computer technicians! Our fabulous assembly helpers are Taner Durmusoglu, Marley Alder, Rose Bachler, Finn Evans, Dennis Georgescu, Sebastian Hutton and Sofie Uling. Well done - and thank you. You are stars!

Spare clothes - We would welcome any donations of clothes for the reception classes. Aged 5-6 , leggings, jogging bottoms, pants etc for boys or girls. Also please return any clothes that your child may have brought home. Thank you.

Volunteers needed

Can you spare an hour or two to help us clean up mud in the large playground. Or, do you drive a van? We need help with collecting tiles for the same playground - contact s.gibbons@europaschool.uk

Footsteps programme - Click [here](#) for the footsteps leaflet, information and guidance for supporting your child to become an independent, safe pedestrian. There is a survey to complete afterwards. Please complete it if you can, as it may be an important way of lobbying the council for an A415 crossing.
