

2FE Tin Forest

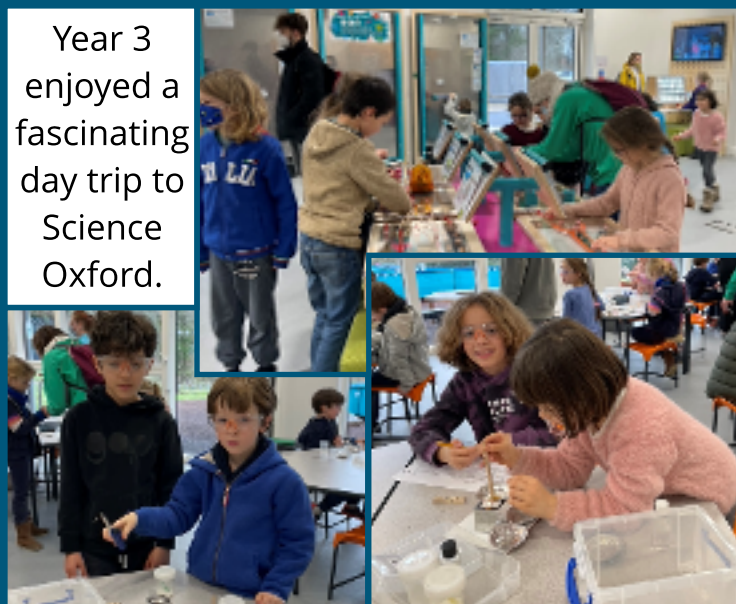

2FE have been reading and exploring *The Tin Forest* by Helen Ward and Wayne Anderson. We have been thinking about different materials and their properties.

An old man dreams of living in a beautiful forest so he creates a forest of all the rubbish and junk left by others. 2FE have created their own Tin Forest by drawing onto tin foil and adding colour with permanent pens.

Year 3 science visit

Year 3 enjoyed a fascinating day trip to Science Oxford.

Information

Lost property - The lost property room is open on Fridays after school. Please take a look or remind your children to do so. There are also lunch boxes/water bottles etc on the shelves in the larger playground. We are keen to get you reunited with your belongings!

Polite Reminder - The front gate, off the A415 is a vehicle entrance for staff and deliveries. Please do not use it, or the entrance area, to drop off /pick up children. The access becomes blocked very quickly if cars are leaving or turning. All pedestrians and cyclists should use the cycle entrance further along to the right of the main entrance and can obtain a code from Reception, outside drop off and pick up hours.

Request from Forest School - If you have any spare waterproof trousers ages 6-8, our Y2 forest school groups would be grateful to have them in reserve, to help with lost, or forgotten kit on the day. Thank you for thinking of us.

Current value

2EE Maths fun

2EE are learning about the 5 times tables through games. Here's Ben showing his good work.

Important dates

4 Feb - NCMP (Rec and YR6)
18 Feb - Staff training day. No school for pupils
