

FUNDRAISING INFORMATION

2023

INTRODUCTION

Europa School UK uses fundraising to support all our non-core and supplementary activities. These activities are not vital to the basic educational offering but they make the difference between a standard education and a great one. These are the parts that draw out shy students, engage the disengaged, support the struggling and stretch the most able.

The Europa School Fund is essential for ensuring we can support our unique curriculum. Our school relies on these donations to provide a range of support across our primary and secondary classes.

In the 2021-2022 school year
The School Fund raised an incredible £86,000

2022-2023
We anticipate total donations of £109,000*

*Based on unaudited totals

THE SCHOOL FUND

HOW DO WE USE IT

Stream language Support & Exams- Primary & Secondary

This includes

- TA support in the classes
- language tuition
- language organisations (PASCH/Goethe Inst, LabelFrancÉducation, Cervantes Institute)
 - coordination
 - examining
 - administration

Counselling & Emotional Literacy Support

Some students have always needed help to navigate the world around them but since Covid disrupted life and learning many more students require support. Europa offers support to these students:

- Trained counsellors supporting students in secondary
- Emotional Literacy Support Assistants in primary
- TA support

Technician Support for Science and Art

At Europa we believe that to truly learn a subject you need to put it to the test and get your hands dirty.

- We are lucky to have the support in science of technicians for each subject allowing our teachers to do experiments safely and at every opportunity.
- Our art technician is responsible to supporting our students through exhibitions and digitally and for creating our art displays.

THE SCHOOL FUND

Adding Value

Coordination for Music lessons & Trips

There is more to school than academia:

- Staff coordinate trips to compliment learning
- A substantial number of students take lesson in musical instruments at Europa, which is a logistical challenge

Teaching Assistants

Our TAs are amazing and we timetable their every moment at school.

- Full-time TAs to Year 3
- TA supervision of bus waiting area and youngest bus children for up to 50 minutes

Forest School

This a fantastic way to bring learning outdoors:

- Small groups
- Build confidences
- Learn to take appropriate risks

Last year we had to make an extra appeal to Year 2 parents to help us continue to offer forest school in the third term. This year we have cuts the delivery costs as we have trained a Europa Employee as a forest school leader in the hope we can continue to offer this. Costs include regular tree surveys and tree maintenance as well as training and equipment.
