

Secondary Newsletter

10th September 2021

Welcome back

It was lovely to welcome the students back to school this week. There was a lovely atmosphere around the site and the sun shone too! Please remember to inform us of any absences absence@europaschool.uk and take a moment to update your contact details if needed via schoolbase.

The annual school photographs will take place on Monday and Tuesday of next week. Parent information evenings will all be held on line and you will be sent links via e-mail nearer the time.

Music lessons - Individual instrumental lessons at the school are still available for most instruments, Please follow this [link](#) to register your interest or contact t.ognjenovic@europaschool.uk for more details.

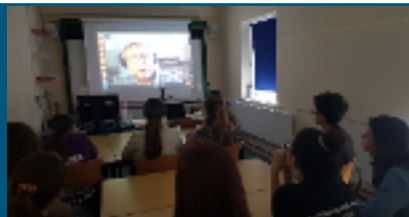

Get involved with Go ECOLO CLUB and INTERACT CLUB

GO ECOLO CLUB

Do you want to improve the Ecology of the School - Come and share your ideas of environmental issues every Monday 12.45-13.15 in Rm 233. For more information contact s.philippot-gasc@europaschool.uk

INTERACT CLUB

Come to the Culham Interact Group Club to become an interactor and participate to improve the world. We meet every Thursday at 18h by Virtual meeting via Google Meet. The code of google classroom is bmiw674.

Gala Ball - 6th Nov 21

<https://europaschooluk.org/gala-ball/>

Secondary Library Makeover

The beautiful new paintwork and clean shelves are adding to the lovely atmosphere of our Secondary Library. A great team of S6-S7 students worked really hard with Mme Mallett to restore the library in the last weeks of the holiday. Thank you all!

Europa PTA

We are lucky to have a very active PTA. For more information about events, check out their website <https://www.europa-pta.org/>

What will you do for World Cleanup day on the 18th September. Add your pledge in the secondary library and admire the fresh look or your favourite space.

Dress Code

We would be grateful if parents could support us in ensuring that students come to school dressed appropriately for learning, and adhere to the Europa School dress code.

There is no uniform at the Europa School. However, we expect that students dress in a manner that is appropriate for learning. Specifically, we will not allow inappropriate t-shirts/tops showing the midriff or very short skirts/shorts. We reserve the right to contact parents if we feel this rule is broken. In addition, students are expected to dress sensibly for the weather and activities such as PE. Outdoor clothing, e.g. headwear, scarves, gloves and coats, should be removed in class. For safety reasons, students should not wear large hoops or dangly earrings or long false nails.
