REMINDER

Please do not use the front gate (off A415 Abingdon Road) to drop off/pick up children at the start and end of school nor park on the opposite side of the road to then cross with your children. This is extremely dangerous.

Only use the cycle /pedestrian gate by the Chapel (also off the A415) if you are walking or cycling, not the Main gate. A code can be obtained from Reception which must be signed for. Thank you.

UPDATE ON THE DELIVERY OF THE 12 TO 15 VACCINATION PROGRAMME

Young people aged 12 to 15 in England will be offered a second dose of the Pfizer-BioNTech COVID-19 vaccine at a minimum of 12 weeks from the first dose, following advice from the Joint Committee on Vaccination and Immunisation (JCVI).

NHS England have now confirmed that, as with first doses, healthy school-aged children aged 12 to 15 will be able to receive their COVID-19 vaccination in their school next term, as well as having the option to receive the vaccine out of school, such as through vaccination centres. These offers will run in parallel.

More information for schools on the vaccination programme and how second dose delivery will work, including information on consent gathering, will be published by the UK Health Security Agency (UKHSA) shortly.

We are grateful to schools for their ongoing support with the rollout of the 12 to 15 vaccination programme. Vaccinating young people is increasingly important for keeping them, their friends, family members and teachers safe as we approach the Christmas holidays. [NHS booking system](#).

Further information on [vaccination for 12 to 15 year olds](#) is available on the NHS website.
