## Current news

**S1-S5 Reports** - These have been published on the portal and emailed to the students. This is an interim report and will generally only have a comment if the teacher has a concern.

**Room changes** - After Easter phase 3 of the work on the heating system will have started. This means many classes had to be reallocated. You can find your **updated timetables** on your year group team drive. The SchoolBase timetable will be updated over the holidays.

**Lunchtime Assistants** - we are looking for lunchtime assistants. Details can be found under the support section on our [vacancies page](#).

**Mental Health** Awareness sessions for parents - [Run by Oxfordshire Youth](#).

## Careers & UCAS

- **We are now a member of the B4 Business network** <https://www.b4-business.com>
- **UCAS discovery Days** on 20th or 21st April 2021 which replaces University Fair. [More information here](#).

## Thank you to our canteen team

## European Karting championship

Last weekend I competed in the first round of the IAME European karting championships in Belgium. I was the youngest driver there (some of the drivers were taller than my dad)

and it was the first time I had been in a Junior kart which is faster than I race in the UK and can go over 80 mph!

I was fast in testing but unfortunately had a big crash just before the racing at the fastest corner on the circuit and ended up in the medical centre.

The actual races were a bit of a roller coaster but I ended up in 20th place in the championship (out of 49) which for my first time racing in Europe I was really pleased with. Next stop Spain...
