Lockdown activities

The teachers created a file with [some lockdown activity ideas](#). What could you propose to your fellow students or teachers? [Fill in the survey.](#)

Radio Arabella

Enjoy [this postcast made by Arabella](#) in S5. It's great, well done Arabella!

Mental Health Week

This week (1-7 Feb) is Children's Mental Health Week and we are celebrating creativity under the theme of 'Express Yourself'. I have asked all the secondary pupils to share creative work with the rest of the school by sending me links, photos, videos etc. of things they have done that are creative. This includes artwork, **dancing, acting, poetry, music, cooking**, anything that is creative. We have already started to see how wonderfully creative our students are and hope we will discover more hidden talents over the next week.
