Creativity & careers in the arts with Modern Art Oxford

In-person workshops in Oxford city centre | 07/11/24-27/03/25 | 4.30-6.30pm every Thursday | Age 16-19 | [Young people apply here by 28/10/24](#)

Are you interested in exploring your creative potential? Do you want to find out more about a career in the arts and meet other young creatives? Join our free Thursday evening Young Creatives Socials for ages 16-19, to meet young people in the city, work with professional artists, and develop your creativity. The Thursday evening sessions will focus on developing your creative practice, building a portfolio and exploring paths to exciting creative careers- all in a fun and relaxed environment. You'll work with professional artists and develop your artistic voice working collaboratively with other young artists in Oxfordshire. No previous art experience necessary, just an open and curious mind.

The sessions will take place on Thursday evenings from 4.30-6.30pm at Modern Art Oxford, OX1 1BP, on 7, 14, 21, 28 November, 5, 12, 19 December 2024, 9, 16, 23, 30 January, 6, 13, 27 February, 6, 13, 20, 27 March 2025.

Read about what students got up to in Young Creative Socials sessions earlier this year on [Modern Art Oxford's blog](#).

If you are interested in creative careers but can't commit to a weekly programme, we are also working with Modern Art Oxford during Discover! Creative Careers Week to deliver a virtual insight day about working in an art gallery and events. This will take place on the 21 November between 10am and 3pm and is open for 16-19 year olds. [Students can apply here by 24 October](#).
