Europa School UK- NEW Mobile Phone Policy

As you are aware, we have introduced a new [mobile phone policy](#) at Europa. To support a calm and focused learning environment, secondary students are not permitted to use their phone anywhere on school premises. This also applies to smartwatches and headphones.

- If a smartphone, smartwatch, or headphones are seen or heard, the item will be confiscated and must be collected by a parent/carer.
- If a basic/"brick" phone is seen or heard, it will be confiscated and the student may collect it themselves at the end of the school day.

We appreciate your support in helping us reinforce these expectations so that all students can make the most of their learning.
