## BIG BANG at the NEC Birmingham!

As part of this year's Careers Education 'Encounters with Engineering', last Thursday S1 attended the amazing Big Bang Science and Engineering Fair at the Birmingham NEC. This was an exciting opportunity to explore a wide range of different career and educational pathways through presentations, employer-led activities and question and answer sessions. Around 100 leaders of science and technology were present, each student found something to inspire! These photographs give you an idea of the range of interesting and innovative activities and ideas the students engaged with.

## ***Free Basketball taster at the Summer Fête! Calling all basketball fans!***

We're excited to invite everyone to a free taster practice session with our school's basketball team, the Europa Dragons, at the Summer Fête.

**Join us in the Gym on Saturday 27 June at the following times:**

**Primary: 10:00 - 11:00**

**Secondary: 11:00 - 12:30**

The fun doesn't stop there! In the afternoon, we'll have more activities for everyone to enjoy and discover this exciting sport. Get ready for shooting contests for both Primary and Secondary pupils, a dribbling circuit for Primary, and an exciting 3v3 tournament for Secondary teams!

**For more details, visit the event page:**

**<https://www.europa-pta.org/get-involved/events/summer-fete/basketball-competition>**

A quick note for next year: the schedule for next year's training has not yet been finalised. We will stick to Saturday mornings, but we will endeavour to avoid clashes with Europa Titans training for Primary pupils.

We are also considering launching a dedicated girls' team, and enter both Secondary boys and girls into the local Schools league.

Will your future basketball star be joining us?
