Co-Chairmen of the Europa Titans Football Club*

The Europa Titans Football Club is proudly hosting its first ever grassroots tournament this 6th and 7th of June 2026, with the Europa School UK as its venue and partner!

There are currently over 70 teams registered, meaning 500 children, and their family and friends, will be coming to the school for a full weekend of competitive football.

There will also be food trucks, a cake sale, and other games to enjoy while the competition goes on. It has been agreed that this huge fundraising event will benefit both the Club and the School.

This is a great opportunity to get our community together - please come and support your friends!

It would be greatly appreciated if you would consider giving up even an hour of your time to help us with the running of the tournament - there are many small and simple (but meaningful!) tasks that you could help with.

Finally, if any of you have a company (or work for one) that may be interested in sponsoring the event, there are plenty of opportunities for this!
