EuropaMUN, Fri 3rd July

The MUN club at Europa School is a political club simulating the United Nations.

We have been invited to conferences at the Toulouse and Brussels parliaments in the past;

This term, we are organising our own conference here at ESUK on Friday, 3rd of July.

This conference is made up of 4 committees, each with their own topics to debate:

- Asian Council (AC), "Managing cross-border terrorism and extremism in Central and Southeast Asia"
- Economic and Social Council (ECOSOC), "Balancing economic reliance on tourism with the protection of local ecosystems and indigenous cultures"
- Human Rights Council (HRC), "Regulating illegal immigration in respect of fundamental human rights"
- World Health Organisation (WHO) "Regulating illegal substances and prohibiting/legalising drugs to promote health"

If you would like to join the club, please do.

We always welcome new members.

The club takes place in room 331 on Monday (after school) and Friday (Lunchtime)

S1 raising funds for the Art Dept

The S1 girls organised a fantastic cake sale in support of the art department refurbishment - helping us towards creating and decorating a brand new studio space for our IB Art students.

Thank you very much to all the students, and staff members who supported this cake sale!

Carnegie Forum

The Carnegie Forum brought 80 students together, from 4 secondary schools of Abingdon plus Europa, to celebrate reading for a whole day at St Helens and St Katherine School in Abingdon.

The students have spent several months reading the Carnegie books shortlist. They had to write book reviews and create artwork along the way on each of the books.

On the day, students were separated into teams according to their favourite Carnegie book. After a very active drama workshop taught them how to use space and sound effectively, they had to create mini plays about the books. Despite having only a few hours to create, script, produce and make the props, they made beautiful plays, full of humour and emotions.

Well done to our S2 students: Eleanor, for winning the Best Review, Maria : Highly Commended Review and Jahila: Highly Commended Artwork. A booklet with all the winning entries is available at our Secondary Library

We value your feedback as we reach the end of the academic year.
