Europa Ski Trip 2025

Europa students recently returned from an exhilarating ski trip to Sansicario, Italy, where they enjoyed a week filled with fun, laughter, and adventure. The picturesque slopes of Sansicario provided the perfect backdrop for the students' skiing escapades. Everyone, from beginners to very experienced skiers, honed their skills and remarkably, the trip was injury-free, ensuring that all participants could fully partake in the activities planned. Beyond skiing, the students indulged in lively evenings of singing, snowshoeing, quizzes and dancing, creating cherished memories and strengthening friendships. Thanks to Georgie and her fantastic team for all their hard work, and to the students who earned praise from the hotel staff and ski instructors for their excellent attitude and behaviour.

Canteen – Increase in the cost of school meals

Our catering contractor Accent catering has informed the school that they are increasing the cost of all school meals by 5% from April and a further 5% from September. This is due to a combined increase in national minimum wage and employer national insurance contributions from April 2025.
