Mrs Wood has visited 10 Downing Street

On the 24th of November, school leaders (including Mrs Wood), representatives from IBSCA and Olly Glover MP, visited 10 Downing street to deliver the petition urging the Prime Minister to reinstate funding for the International Baccalaureate diploma.

We remain committed to offering the IB as our final qualification, which we believe best fits our students and school values.

National Finals of the Quadcopter Challenge

Six S3 students — Annabelle, Ariana, Christian, Kaveh, Navid and Tristan — did us proud at the National Quadcopter Challenge Finals on 25 November.

As the Frogs for Logs team, they impressed judges with their smart design modifications to support our local wildlife trust and expertly navigated two obstacle courses

After months of hard work and great teamwork, they earned medals, certificates and a trophy — all well deserved. Well done to everyone involved!

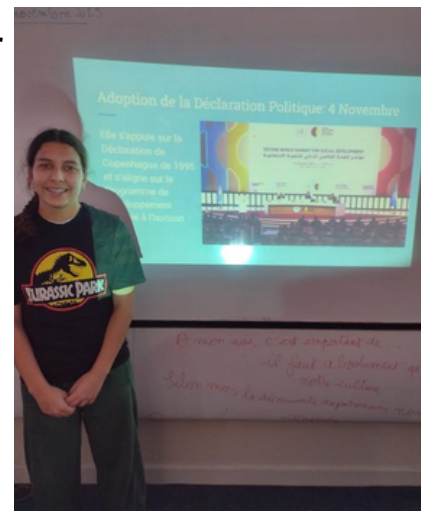

Second World Summit For Social Development in Doha, Qatar

S5 student Prabha recently attended the Second World Summit for Social Development in Doha, invited through her parent's UN-accredited NGO.

She heard speeches from global leaders, learned about the Doha Political Declaration, and even met the King of Belgium.

Prabha later shared her experiences with our class, giving an insightful look into international efforts in social development.
