S4 Study Conference

Our S4 pupils were very pleased to take part in a virtual Study Conference on Thursday 29th April organised by Oxford Brookes University. This was a motivational and exciting experience. In the morning, the focus was on subject sessions that boosted confidence and gave a taste of learning at university level (but accessible for all!).

Then, in an interactive live session, students learned how to build a bank of revision tips and strategies delivered in conjunction with the award-winning 'MADE Training'. In the afternoon students had the chance to explore sessions on study skills and whether the university is right for them. At the end of the day, students had a chance to submit questions to current Oxford Brookes students in a live Q+A session.
